Dear Friends,

Greetings to you all in the name of Jesus Christ.

In light of the recent headlines on the Coronavirus COVID-19 and the State of Emergency, St. Mark's will be taking extra precautions as it pertains to the health and safety of our members.

Following the guidance of our Bishop Thomas J. Bickerton and our Pastor, Rev. Morais G. Quissico, this Sunday, March 15 and next Sunday March 22 at 11:00am we will not be holding public services of worship. This means we will not gather in person. However, St. Mark's will be offering an alternative worship option and invite you to participate in it. Keep informed by visiting [Facebook.com/stmarksumcbklyn](https://www.facebook.com/stmarksumcbklyn), and our website www.stmarksumcbklyn.com.

Please remember that even though we are unable to physically gather, our ministries and mission endeavors continue, as does the work of our staff. St. Mark's is grateful for your support with your tithes and offering. You may continue to contribute by taking advantage of our online electronic giving option on our website www.stmarksumcbklyn.com or by mail. If mailing your offerings, we encourage you to mail a check or money order instead of cash. You can mail your offerings to the attention of our Treasurer, Yolande Haynes and make it payable to St. Mark's UMC. Dropping off your offering to the church office is also acceptable during the office hours of 9am – 4:30 pm.

St. Mark's is prepared to continue to bring the gospel to you in every way possible. Let us continue to trust God and pray for his wisdom to be with those that are searching for a cure.
